

GENERAL REGULATIONS FOR EXHIBITIONS 2010 ORGANISED BY REED EXPOSITIONS FRANCE

■ GENERAL PROVISIONS

Article 1 - General

Specifications concerning the organisation of the Exhibition, in particular its opening and closing dates, its location, its opening hours and admission price are decided and may be modified according to the will of the organiser.

In the event of an extension, exhibitors who so request, may be authorised to close their stands on the date initially agreed, but they may not remove products on display nor change the appearance of the stand before the date fixed by the Exhibition organiser.

If for major, unpredictable or economic reasons (such as fire, flooding, destruction, accident, force majeure, local or national strike, riot, insecurity risks, storm, terrorist threat...), the Exhibition cannot be held, exhibitors' applications will be cancelled and sums available, after payment of expenses incurred, will be distributed between the exhibitors, pro rata to the sums deposited by each of them.

The exhibitor leaves it up to the organizer to appreciate if the Exhibition must be suspended or evacuated for major, unpredictable or economic reasons or in the event of threat for the safety of the public and undertakes not to make any objection against its decision whatsoever.

The exhibitor shall undertake to respect, and make respected, the measures of the Exhibitor's Handbook.

The exhibitor is responsible to the organiser for non observance of the schedule of conditions («le cahier des charges») established by the owner or the main tenant of the site placed at the disposal of the Exhibition organiser.

The organiser is not liable for any consequences arising from the enforcement of the provisions of these general regulations.

■ PARTICIPATION

Article 2 - Conditions for participation

The organiser determines the categories of exhibitors and establishes the list of products and/or services exhibited.

An exhibitor may present only equipment, products, processes or services manufactured or designed by himself, or for which he is an agent or distributor; in the latter case, he must attach to his application, the list of brands whose products he intends to exhibit or whose services he intends to present.

After consideration, the organiser may exclude products and/or services which do not appear to him to correspond to the aim of the Exhibition, or allow the presentation of products and/or services which do not appear on the list but which may be of benefit to the Exhibition.

Sales comprising immediate on-site delivery to the buyer are prohibited.

In pursuance of the regulation concerning authorised exhibitions, any exhibitor agrees to exhibit only products or equipment in conformity with French regulations, except for products or equipment destined for use exclusively outside French territory. Moreover, any exhibitor agrees not to proceed with any advertising liable to induce into error or to constitute unfair competition.

The products and services presented by the exhibitors must comply with law and order and the laws in effect. For this reason, it is strictly forbidden to exhibit products illicit or proceeding from illicit activities. It is also forbidden for unauthorized persons, under the law, to propose services and products which do not comply with the relevant regulated activities by the law.

Any violation of these provisions may result in legal proceedings against the offending exhibitor, without measure which could take the organiser to cease the disorder.

Article 3 - Applications

Any person wishing to exhibit must present an application of participation to the organiser. Unless the organiser does not accept the application, the submission thereof shall be a binding and irrevocable undertaking to pay the full price of the stand hire and associated costs.

Article 4 - Control of admissions

The organiser is not obliged to justify his decisions concerning applications. In the event that participation is refused, any sums paid by the party having presented an application of participation will be repaid, after deduction of administrative expenses incurred by the organiser and which remain due to him. The same provision applies to a party having presented an application of participation placed on the waiting list, to whom a stand cannot be allocated for lack of available space when the Exhibition opens.

Acceptance of the application is confirmed by the reply from the

organiser to the exhibitor. This reply may be in the form of an invoice addressed to the exhibitor.

Despite initial acceptance by the organiser and even after allocation of a stand, an application of participation from an exhibitor whose affairs are, for whatever reason, administered by, or with the assistance of a trustee in bankruptcy, is null and void. This applies particularly to any application by a company filing a petition in bankruptcy between the date of the application and the Exhibition opening date.

However, where a company is authorised by a court to continue its operations, the organiser may, of his will, decide to maintain the application.

Article 5 - Assignment / Sub-letting

Without the organiser's prior consent in writing, an exhibitor shall not transfer, sub-let or share, with or without payment, all or part of his concession within the Exhibition.

Nevertheless, several exhibitors may be granted joint authorisation to make a group presentation, providing each of them should submit a prior request for the approval to the organiser and sign an application for joint-participation.

Article 6 - Withdrawal

In the event of withdrawal or non-occupation of the stand for whatever reason any sums paid and/or due in whole or in part towards the hire of the stand, shall be retained by the organiser, even if the stand is let again to another exhibitor.

An exhibitor shall be deemed to have withdrawn if, for any reason whatsoever he should fail to take possession of his stand 24 hours before the day on which the Exhibition is due to open. The organiser may therefore dispose of the defaulting exhibitor's stand and the latter shall have no right to claim a refund or compensation, even if the stand is allocated to another exhibitor.

■ FINANCIAL CONDITIONS

Article 7 - Price

The price of stands is decided by the organiser and may be revised by the organiser if there is a modification to its components, including but not limited to variations in the cost of materials, labour, transportation and services as well as tax and social charges.

Payment for hire of the stand and other associated costs is to be made by the settlement dates and by methods fixed by the organiser and notified to the exhibitor in the Exhibition information package.

For any late application of participation, the first payment is equal to amounts already due at the date of receipt of the application.

The same provision applies to exhibitors on the waiting list who are allocated a stand which becomes vacant.

Article 9 - Failure to pay

If an exhibitor should fail to pay on due dates and by the specifications stipulated in the preceding article, the organiser shall be entitled to apply the conditions contained in article 6 «Withdrawal» Moreover, any late payment shall also entail the application of interest at the Eonia rate increased by five (5) points. This interest shall be due as of right, and shall be calculated against the aforementioned sum from the date upon which the payment should have been made until the effective date of payment. Debt-collection costs shall be payable by the debtor.

■ STANDS

Article 10 - Allocation of stands

The organiser may modify the size and layout of the area requested by the exhibitor. Such modification shall not entitle the exhibitor to unilaterally terminate his engagement to participate.

to verify the conformity of the layout before setting up his stand.
